

## ICC'2024 Project Proposal Template (4 pages max + CVs)

### 1. Project Synopsis (1 page max)

- Project description/abstract (0.5 page max)
- Application/innovation context (0.5 page max)

### 2. The Team (1 page max)

- Rationale, skills, complementarity (covering innovation, development, programming, etc.)

### 3. Project Description (1 page max)

- What are the objectives for developing your prototype? For which reasons do you want to develop your prototype?
- What do you plan to achieve in 9 days? Describe the maturity of your prototype in Day 1 and the final result in Day 9.
- Briefly describe your milestones during these 9 days
- What are your technical challenges?
- In addition, a 90-second video describing your project is welcome, simply give us a link

### 4. Beyond ICC (0.5 page max)

- Do you have any follow-up plans beyond ICC? For instance:
  - Creating a start-up?
  - Presenting your work to conferences / workshops / events?
  - Improving your prototype?

### 5. Additional input (0.5 page max)

- Any additional comments/inputs to support your project?

### 6. Short CVs (1 page per person max)

- Short CV of each team member
